Cargo transport door to door

Cargo transport system

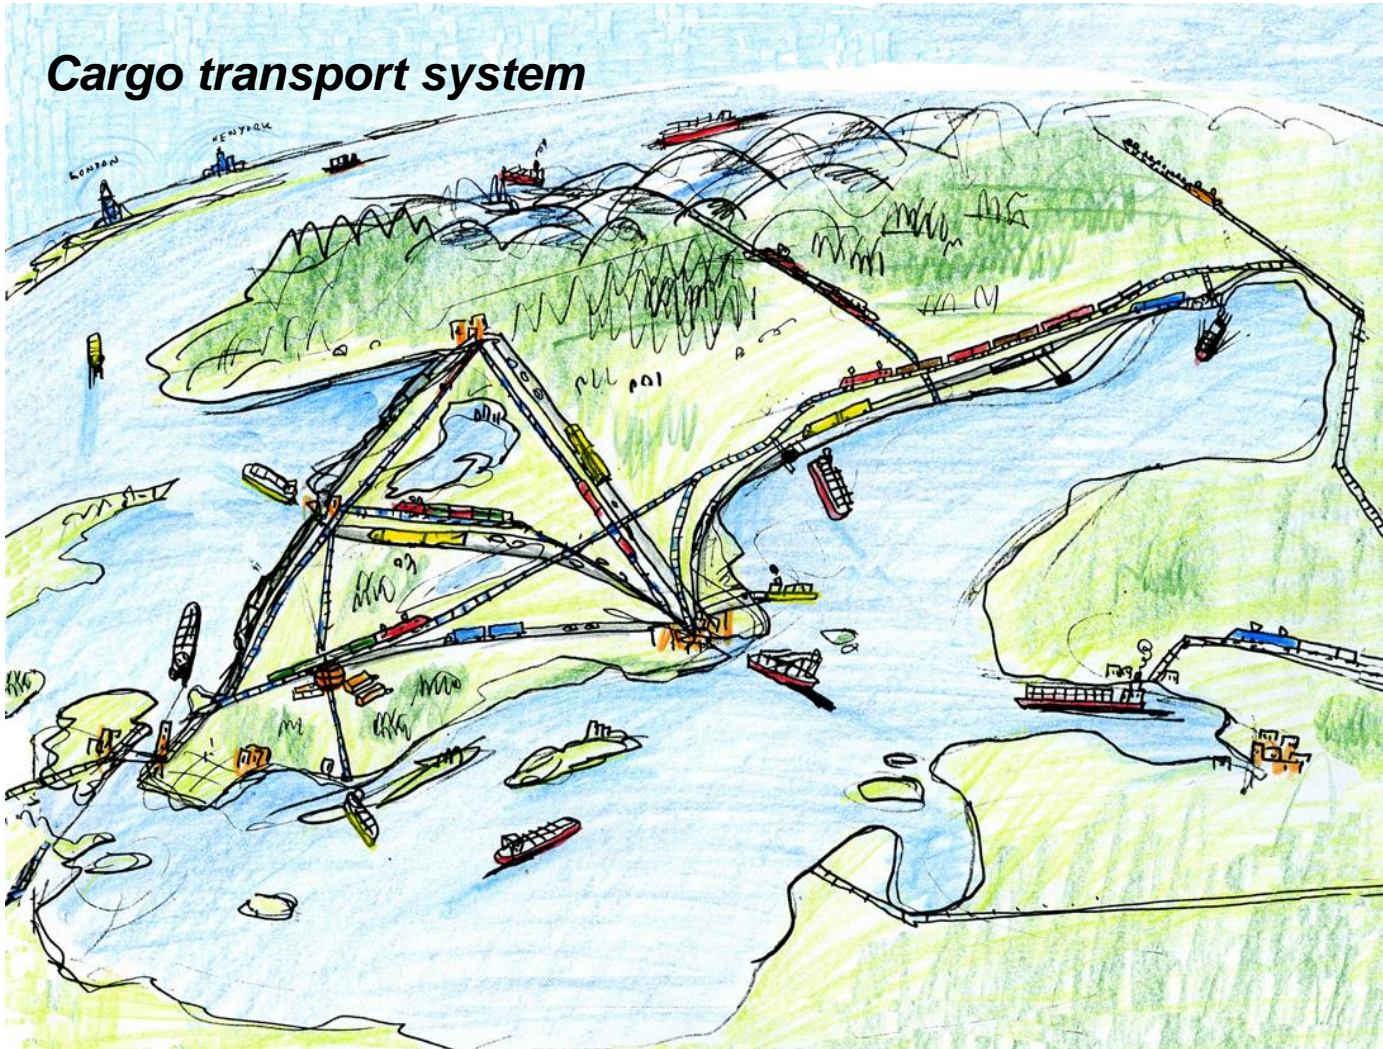

Strategic terminal

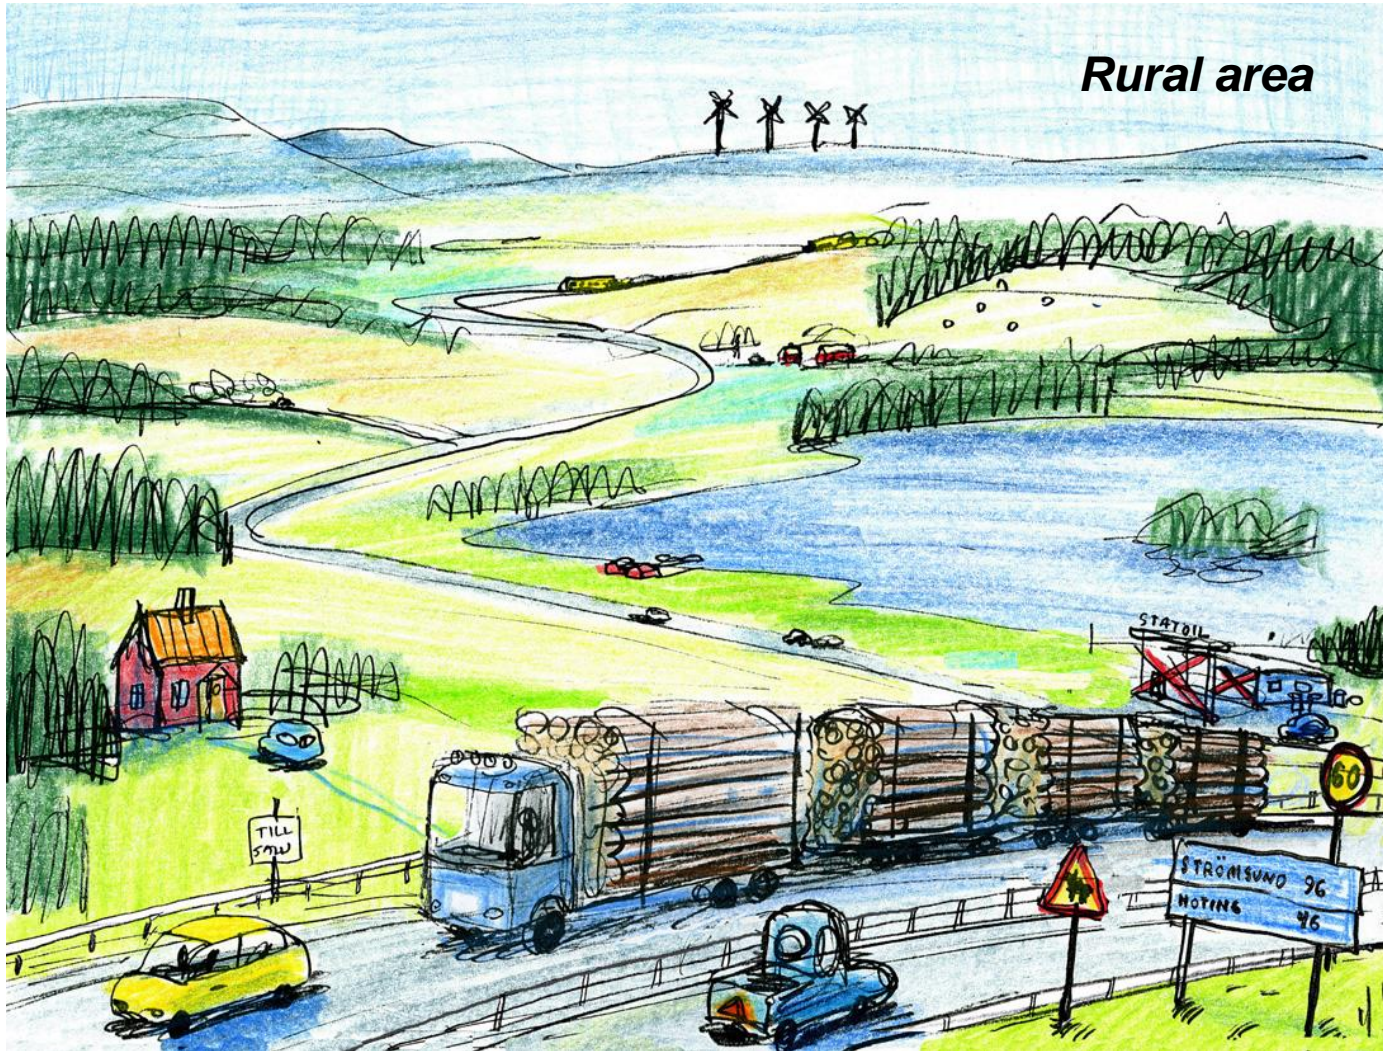

Road link

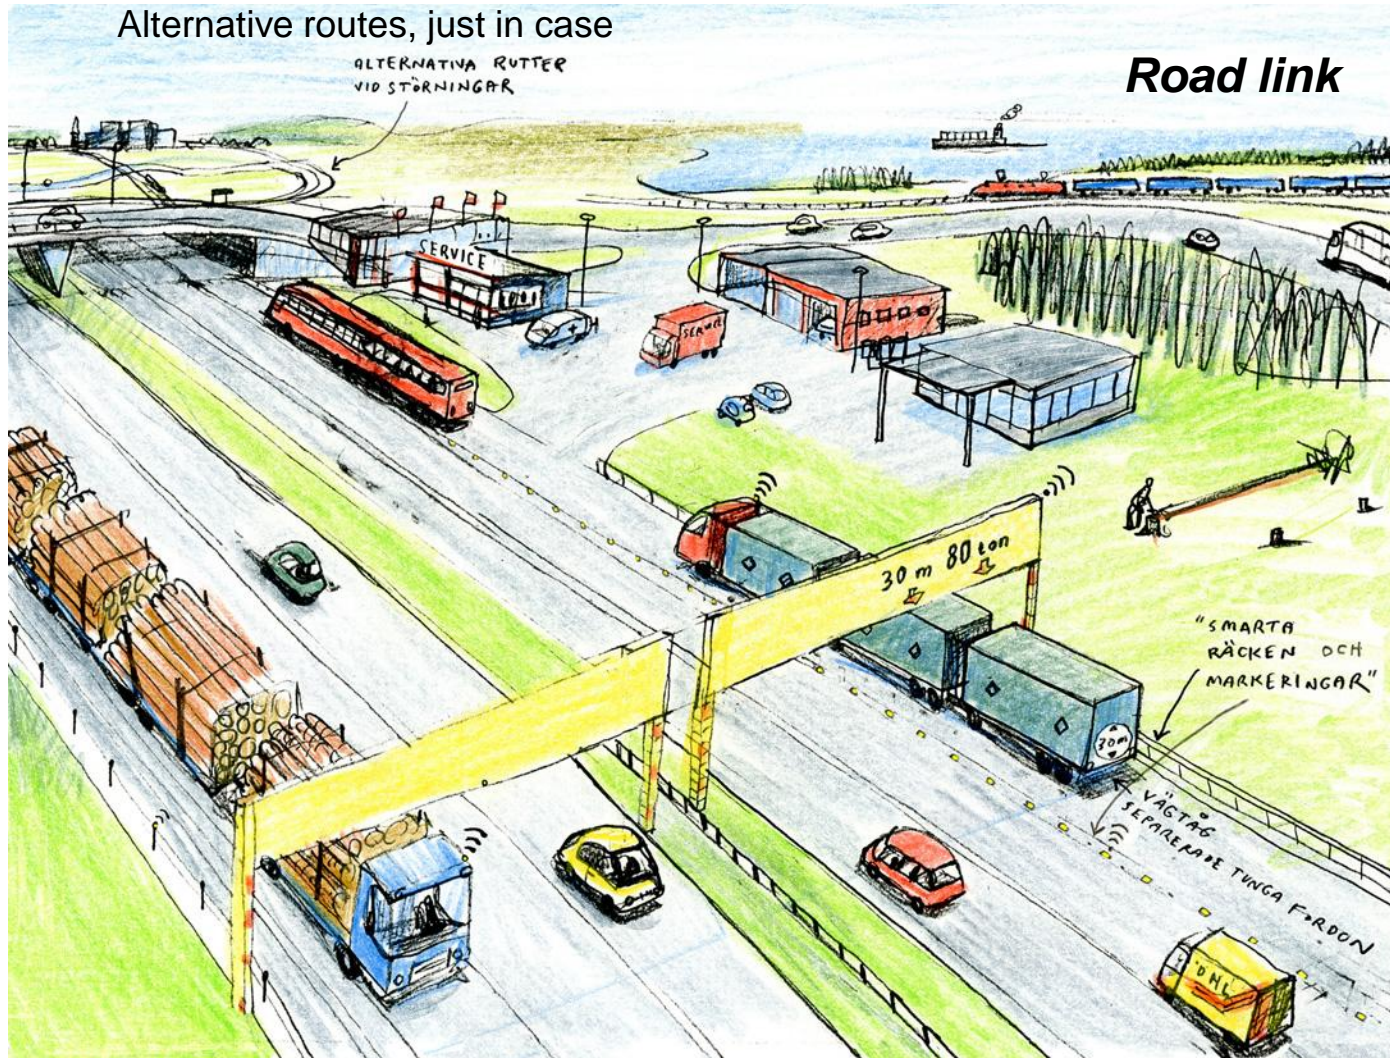

Service and parking place

Local distribution

Cargo transport system

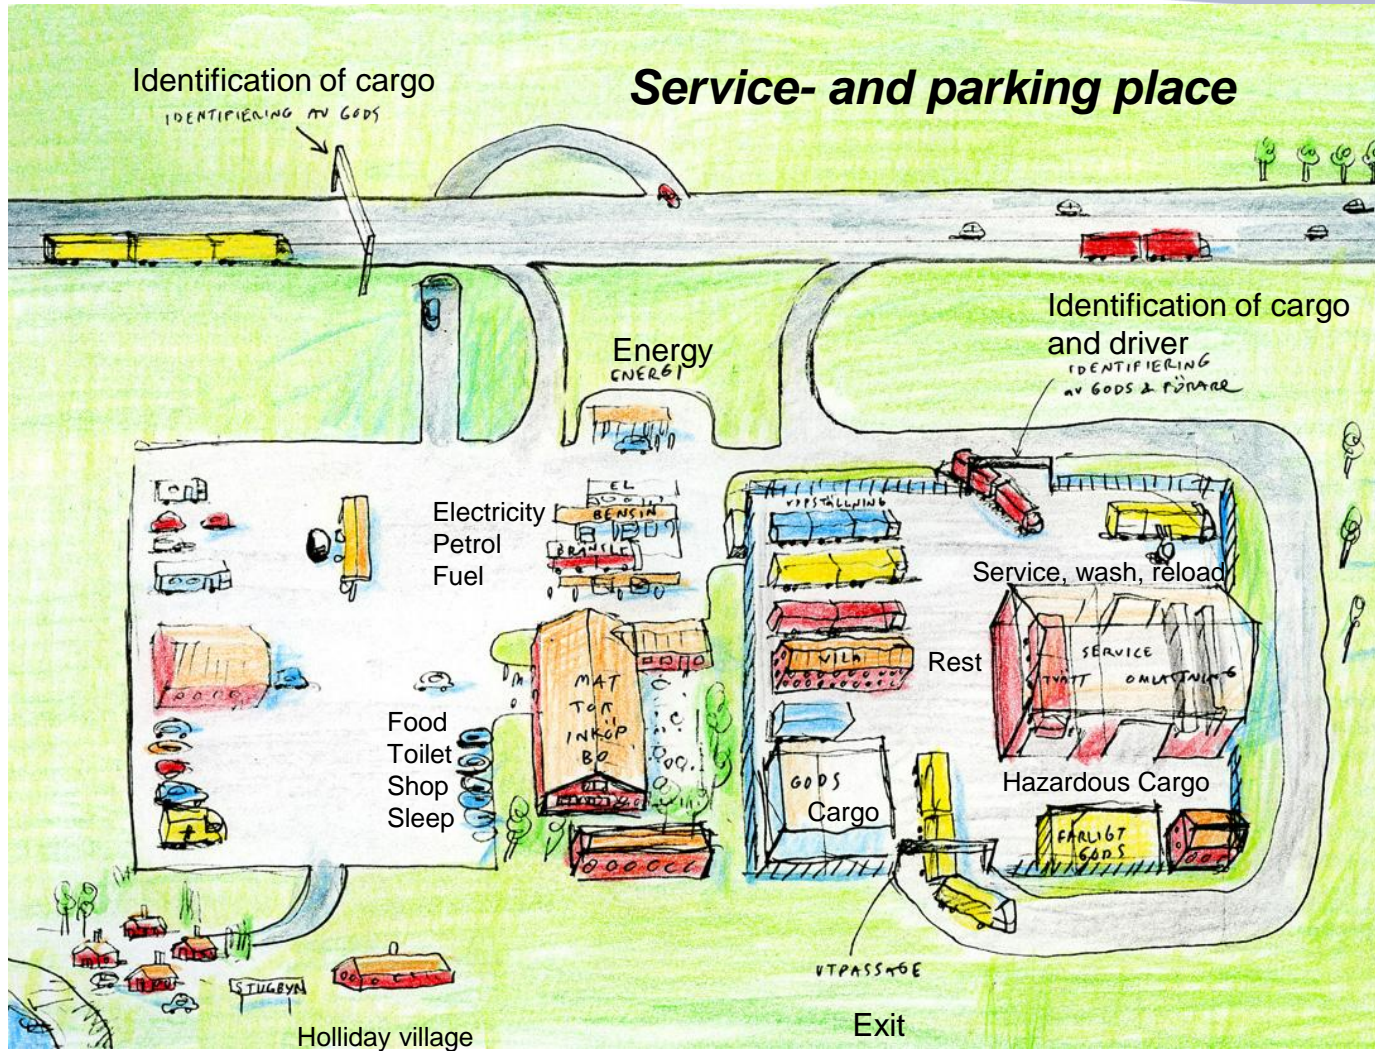

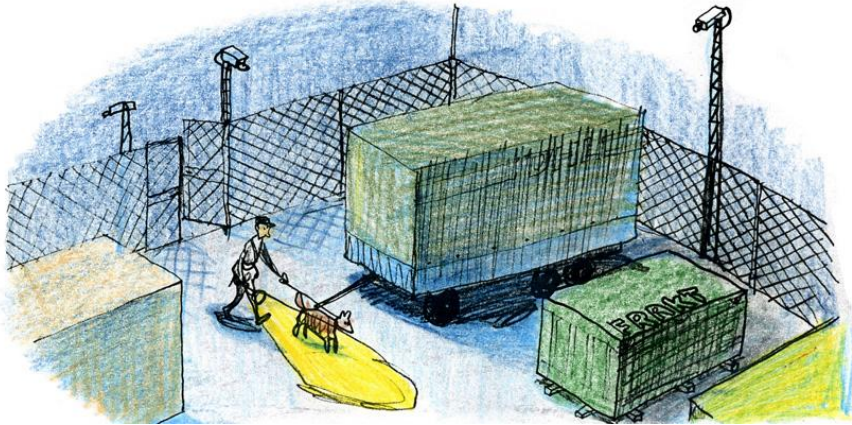

Smart
railing and
markings

Road train
Heavy trucks on
separate lanes

Guards, security

Personal and vehicle service

"Wash the truck and check the tyres please"

Service to both driver and vehicle

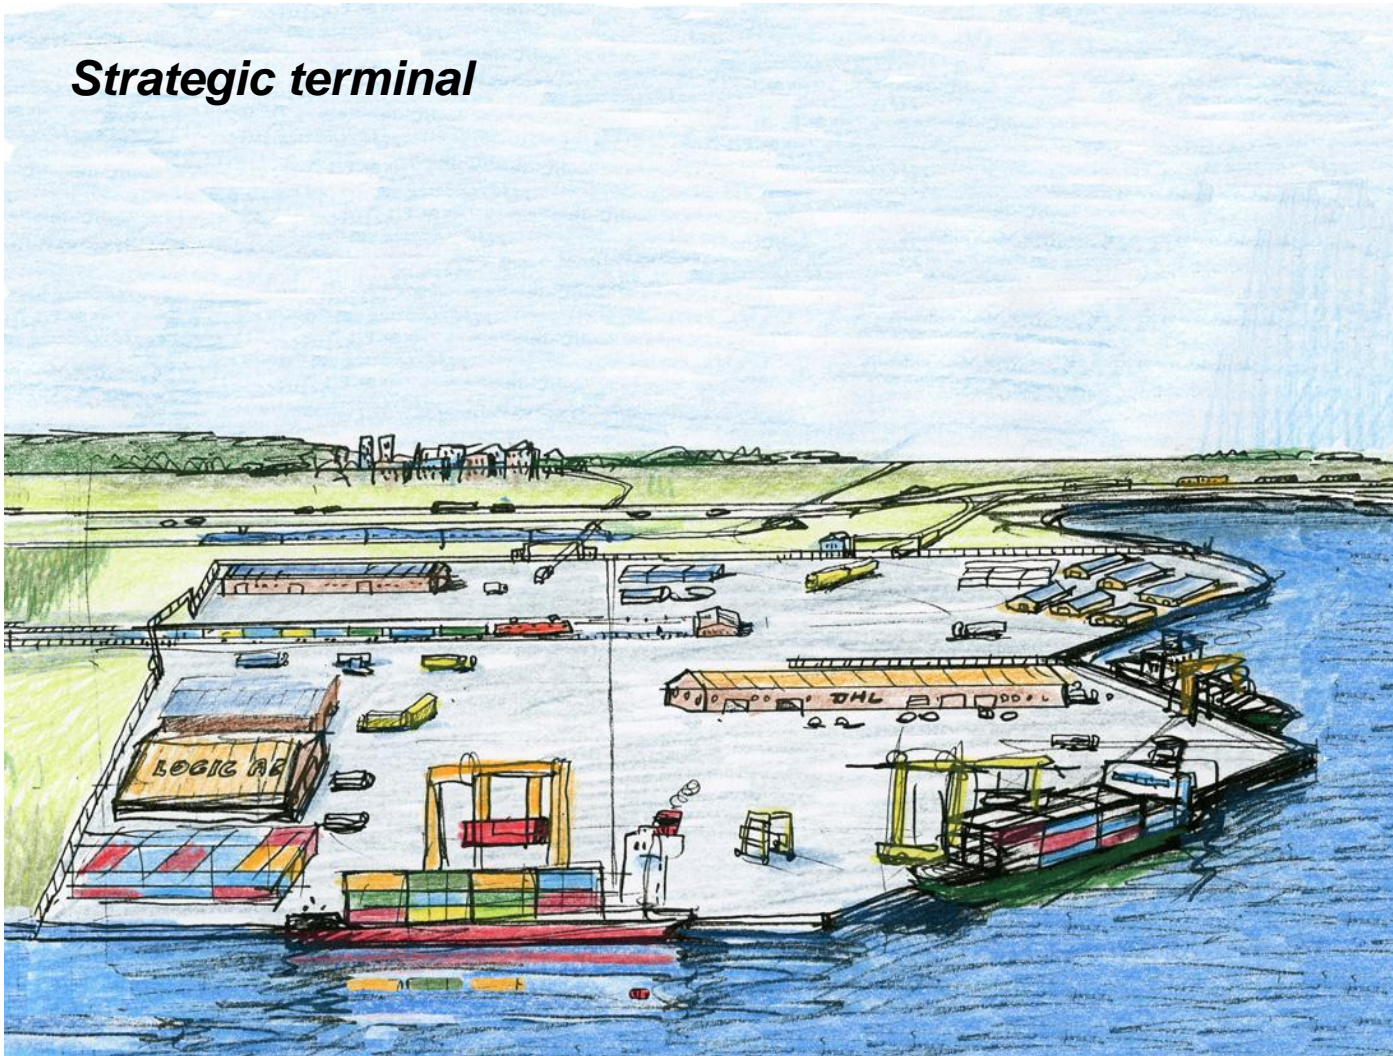

"The price on rinsing fluid is good today, sir"

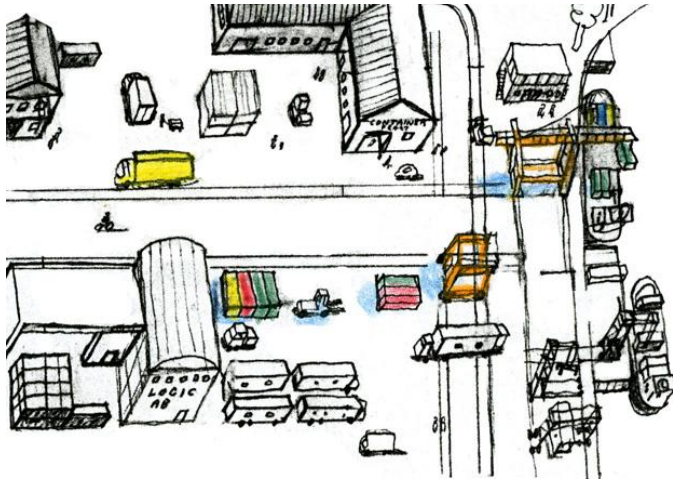

"I want to book a parking place and I'd like to have fish stew without onions please"

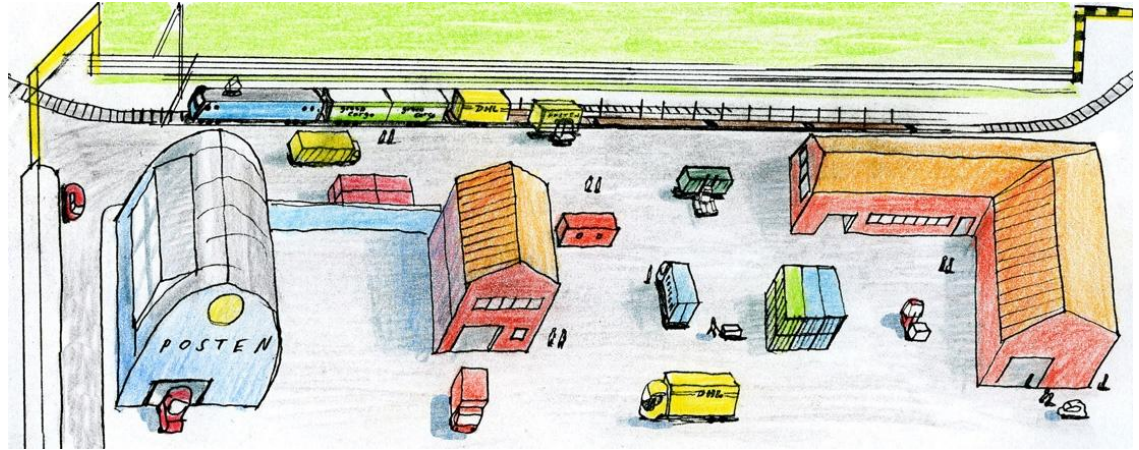

Parking place reservation in advance

Strategic terminal

Reload ships

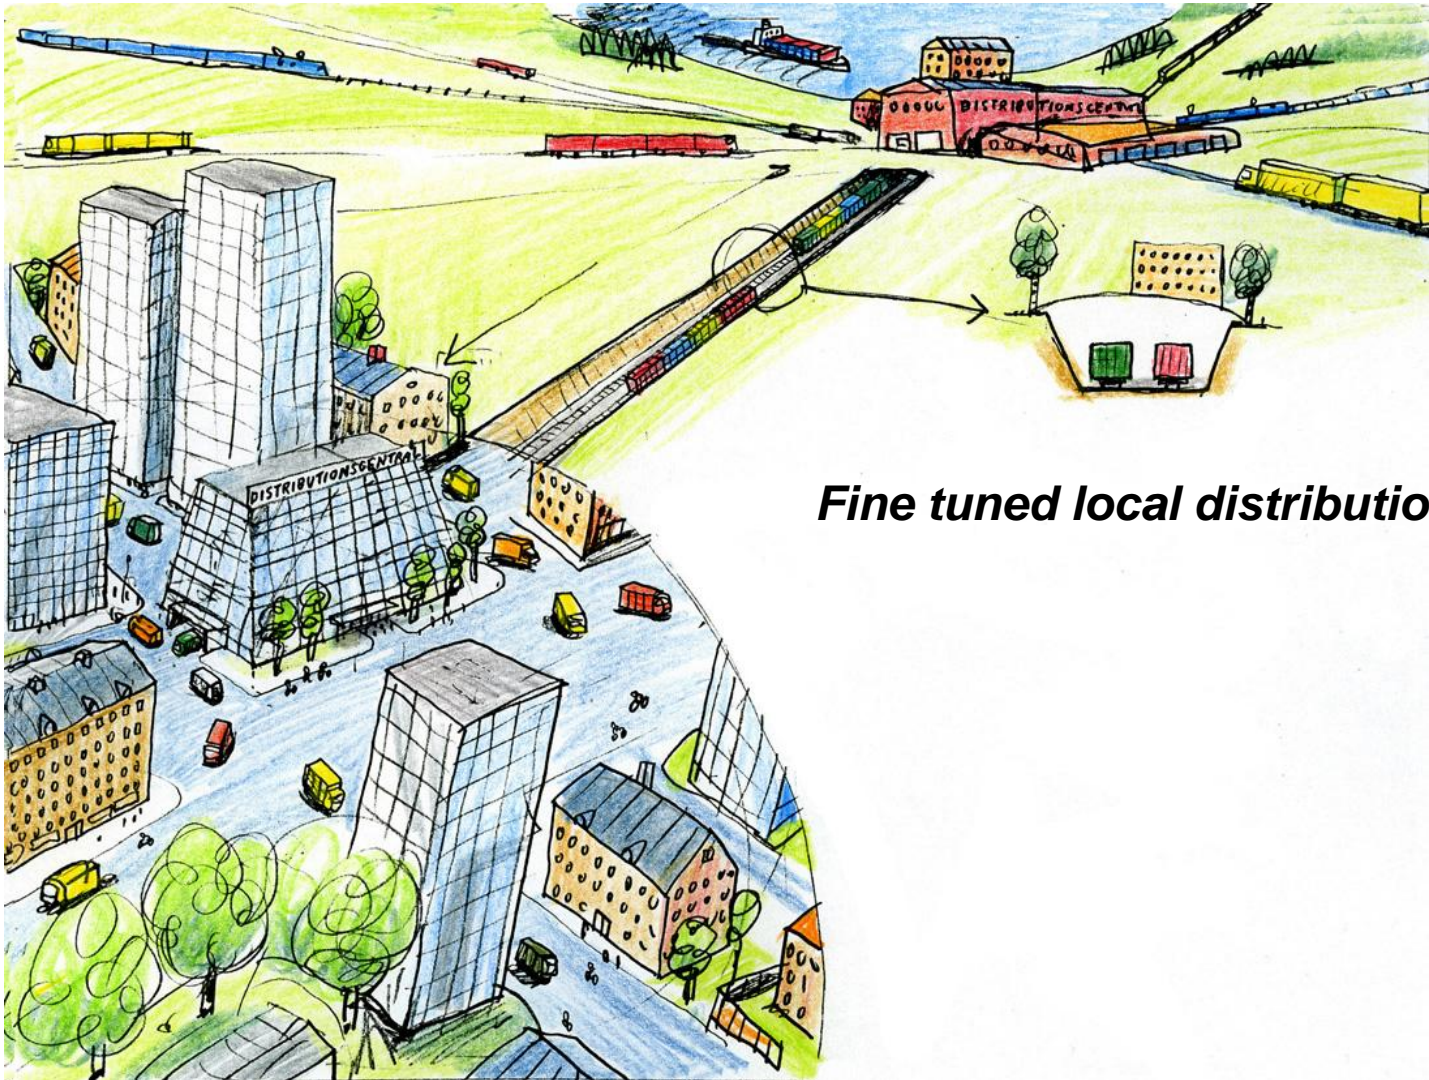

Reload cargo trains

**Efficient
reloading**

Several operators share the same terminal

Fine tuned local distribution
